

The monthly report of March 2017-Ahddane

The important events

The visit of Mme Dominique, Mme. Barbara, Miss Jennie Silis together with Mme Mahjouba to the association Tarwanou

After the visit to Ahddane' association, Mme Mahjouba invited Mme.Dominique, Mme Barbara, Miss Jennie Silis and Karim to visit the association Tarwanou. This latter is concerned with the street children and it is also in Dcheira.

The hosting of Mme Mahjouba in the 'Radio Plus '

The broadcaster of Radio Plus was also having a report with Tarwanou' association, when Mme Mahjouba was visiting with her guests. Therefore, she directly invited Mme Mahjouba to have a speech on the 'Radio Plus' for the occasion of the women international day.

Clothes distribution

Ahddane association keeps helping the poor children with the clothes. This sample gift of clothes means a lot for these children and draws a beautiful smile on their faces.

The offering of a wheel chair

After receiving the big container from Sweden, the president has distributed the donations to the people who in need and among them the uncle of Hamid who is a handicapped. We offer him a wheelchair that was sent by the Swedish association Karavanen.

The stories of people

The story of Latifa

Latifa is 42 years old. She is an orphan and has two daughters from Safi. She was working in a farm in Safi. She had introduced with a young man who promised to marry her. But when she became pregnant he denied her and let her alone to face the unknown destiny. Her family fired her out too. Hence, she ended up to street until she found the way to Ahddane 'association. This latter helped both her and her babies with clothes, furniture and food. The association also accepted to place her baby who is 40 days so that she can find a job to fend her babies.

The story of Malika

Malika is 36 years old. She is a divorced woman and a mother of six Children; three girls and three boys. She stayed with her husband for more than twenty years. However, they were facing a lot of problems because her husband wasn't offering her the needs so when their life together was difficult she divorced. She ends up with the three girls who chose to stay with her without no breadwinner. While the three boys stayed with the father. She came to Ahddane association to help her registering her children. After listening to her story we invited also the father to hear his sayings and then Mme. Mahjouba as she usually do persuaded them to remarry and unite their family. After some days we collect all the administrative documents to declare the children and delivered it to the court. Now, they are given a chance to discuss their problems and review their mistakes and take into consideration

the situation of the children who should be the priority especially that their daughter is already facing the psychological disorders.
